

Network for Good

Organization that provides an easy, safe and secure way to donate online to nonprofits where all the donations recorded are stored and accessible at any time. Network for Good retains 4.75% of the donation to continue their mission and to support the nonprofits. The donor is **given the option to pay the processing fee in addition to their donation.** Over the last two years 90% of donors for the Habitat 500 have chosen this option.

To make a donation, please follow these three easy steps:

1. You can access the Habitat for Humanity page on Network for Good from the Habitat 500 website: www.habitat500.org -- click on the DONATE button. You will be directed to the Network for Good website.
2. Click on the Donate Now button and follow the directions on the page to enter the amount of your donation and the name of the rider your donation is to be designated to.
3. You will then be directed to Network for Good's secure system for online payments. You can pay by credit card, PayPal or a Good Card where 100% will go directly to the charity

An email is then sent to Habitat for Humanity of MN by Network for Good, and within 2 business days, staff will notify the designated rider that they received your donation.
